As a developer I want to enhance													
the connector with more functionality.													
To enable myself to create a better agent.													
better agent.	Visit haron	Job		5	5 D	Done							
	Visit tygron	Timo			5 D								
	Visit tygron	TIMO	-	0	טט	Done							
As an agent When in a													
simulation I am able to buy ground if I think this is													
benificial for me. To construct													
things that are part of my goals.													
	Implement custom actions for buying land in the connector	Stefan			2 C	Done		Mostly done co	uld use some refi	nement			
	Use the custom actions to implement our strategy in goal	Daan	10		5 C	Done							
	Use the custom actions to implement our strategy in goal	Stefan			5	Done		Helped daan w	th this				
	Test the goal code mentioned above	Daan		5	D	In progress							
As an agent													
As an agent When in a simulation													
I am able to build stuff if I think this													
is benificial for me. To optimize a certain indicator or to													
reach a construction goal.													
	Implement a way to build buildings in different shapes for a nicer skyline	Stefan			- E	Not Done							
	Add some more code about which relevant_area to build on first	Timo		9	5 C	Done	#52						
As a developer													
I want to descirbe myarchitecture													
so that it is clear to people what our architecture is													
	Finish the architecture document	Michiel	-	5	1 A	Done		Was not compl	etely clear what w	vas meant with vis	sualizing percepts	and action.	
	Finish the architecture document	Timo			1 A	Done			,		3,,		
	Timor de districture assument	Timo	`	<u> </u>		Dono							
As an agent I want to build green constructions													
to improve my indicator score													
	Implement our tactic of building green in goal	Job	9	9 1) B	Done	#53						
	Test the goal code mentioned above	Job	4	4	2 C	Done	#53						
As an agent I want to handle requests													
so I can interact with other stakeholders													
	Add answers to more kinds of request	Daan	10	0 1	С	Done	#54						
	Test the goal code mentioned above	Daan		6	6 D	Done	#54						
As a developer													
I want to write a final report	Futend lest weeks interestion design desuments	Daan		3		Done		Later added					
so others can read and understand our proje	Extend last weeks interaction design documents	Daan	,	3	•	Done		Later added					
	Market and Indianal and an	Minhini		2	3 B	Dana							
	Write an introduction	Michiel				Done							
	Write the overview of the developed and implemented software product	Stefan			5 B	Done							
	Write a reflection from the software engineering perspective	Stefan		-	3 B	Done							
	Write a description of the developed functionality	Michiel		-	7 B	Done				a more compres			
	Write an evaluation on the product, including failure analysis	Michiel			7 B	Done		Where some di	sagreements abo	ut what had to be	e exacly in this cha	pter., fixed this afte	er discussion.
	Expand the evaluation on the product	Stefan		-	3	Done							
	Write an outlook	Stefan		5	3 B	Done							
	Finalize the report and hand it in	Michiel		1	- B	Done	#63						
	Finalize the report and hand it in	Stefan		-	1	Done	#63						
	Enhance the outlook	Timo		-	1	Done							
As a developer													
I want to make a sprintplan													
so that it is clear to all developers what needs to be done this week													
	Create a new retrospective for sprint 8	Timo		3	2 A	Done							
	Participate in creating the new retrospective for sprint 8	Daan		-	1 A	Done							
	Participate in creating the new retrospective for sprint 8	Job			1 A	Done							
	Participate in creating the new retrospective for sprint 8	Michiel			1 A	Done			+				
	Participate in creating the new retrospective for sprint 8 Participate in creating the new retrospective for sprint 8	Stefan			1 A	Done							
	r anticipate in creating the new retrospective for sprint 8	oteran		1	1 A	Done							
As a user I want an agent to have a vision with indicators, so that I know													
what to expect from this agent.													
	Fine tune indicators after all new implementations to create a interesting game	Job		3	3 B	Done							
As a developer													
As a developer I want to test all of my code													
so that I'm sure that it works properly													
	Make sure everything in goal is tested properly and improve tests if not	Timo	10	0	6 B	Done	#61						
	Make a test for upgrades	Job		-	1 B	Done	#68						
								Tried to test the	calling to the mo	idules, it seems li	ke this is not poss	ible.	
	Enhance the main test	Michiel		-	1 C	Done	#68	It is not that big	of deal, because	the modules are	ke this is not poss already tested in	other tests.	
As an agent I want to switch between indicators	Enhance the main test	Michiel		-	1 C	Done	#68	Tried to test the It is not that big	of deal, because	the modules are	already tested in	other tests.	

	Make a final strategy for switching between different actions	Michiel	5	4	В	Done						
	Make sure this final strategy works with the other stakeholders	Job	5		В	Done						
	Implement the strategy mentioned above	Michiel	5		В	Done		.loh implemente	ed the biggest par	t of the created fi	nal strategy	
	Implement the strategy mentioned above		Job		8 B		#64	JOD IIIIpicilicitic	d tric biggest par	t of the created h	mai strategy	
			5			Done	#04					
	Test the goal code mentioned above	Michiel	3	4	С	Done						
As an agent When in a simulation I am able to sell ground if I think this is benificial for me. To construct things that are part of my goals.												
	Implement the selLand module	Timo	-	10	С	Done	#57					
As a developer I want my code to be structured and have a consistent style.												
	Clean up the code	Timo	-	4	В	Done	#66					
	Totals	Stefan	32	33								
		Timo	32	37								
		Michiel	32	32								
		Job	32	34								
		Daan	35	25
